1.Installation

Wall Mount

Step 1:Stick the mounting template to the wall, drill 4 screw holes and 1 tail cable hole.

Step 2: Hammer the 4 swelling colloidal particles into the drilled wall holes.

Step 3:Align the camera bracket with the 4 swelling colloidal particles screw holes, and lock the screws to fix it

Ceiling Mount

Step 1: Stick the mounting template to the wall, drill 4 screw holes and 1 tail cable hole.

Step 2: Hammer the 4 swelling colloidal particles into the drilled wall holes.

Step 3: Align the camera bracket with the 4 swelling colloidal particles screw holes, and lock the screws to fix it.

Installation method

2.Camera Connection Diagram

- ▲ Attention:There are two connection modes:
- 1. For non-PoE router, pls connect the camera by a PoE switch or a PoE injector.
- For a POE NVR,pls connect the camera directly to the POE NVR, then follow the below steps.
